More specifically, the Public Health Advisor must:

- Advise First Nations communities and organizations on public health matters.
- Advocate for First Nations interests in public health.
- Coordinate public health projects and initiatives and see to their implementation.
- Support the skills development of community workers in various areas related to public health (development of effective information and awareness tools, promotion of best practices, development and delivery of training, etc.).
- Facilitate the establishment of service corridors for First Nations.
- Conduct strategic monitoring of programs, strategies, and legislation with a view to making recommendations.
- Provide recommendations to the relevant bodies on actions to be taken.
- Develop partnerships with government bodies in the field of public health.
- Draft reports, documents, and memorandums.

Requirements

- Master's degree in public health.
- Three to five years of experience in public health.
- Knowledge and understanding of First Nations cultures.
- Knowledge of Microsoft 365.
- Excellent command of French and English (written and spoken).
- A valid driver's licence.

Desired profile

- Excellent communication skills, both written and verbal.
- Strong project planning and management skills.
- Strong analytical skills and ability to summarize.
- Good leadership.
- Adaptability.
- Perseverance.
- Attention to detail.
- Strong interpersonal skills.
- Ability to work effectively as part of a team.

Salary

The gross annual salary ranges from \$68,978.00 to \$85,012.20 and varies according to the candidate's experience.

Start date
